IMPROVE SAFETY & SECURITY

The Problem – Closed Store Crime

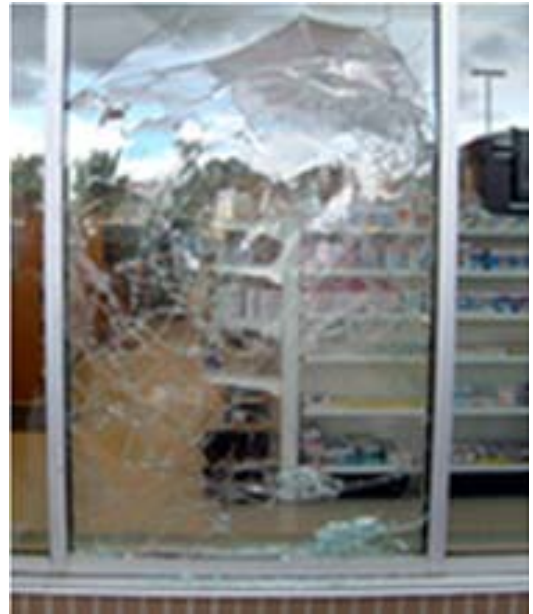

After business hour theft. Criminals smash through the stores' windows or doors, grab as much merchandise as they can handle and escape within minutes. Law enforcement cannot respond fast enough to prevent losses! Alarms alone are not enough.

The Response - **3M** Scotchshield™ Ultra Safety & Security Window Films

- Delays
- Denies
- Deters
- Detects (if used with glass break sensors)

The Added Benefits:

- Glare and **Heat** gain control
- Reduced Energy Costs
- Improved Air Conditioning Performance
- Fade Protection – UV Protection
- Improved Comfort
- Daytime Privacy (optional)
- Complete Covert Protection

3M Scotchshield™ Ultra Window Films provide discreet, covert protection for store windows and doors. These Glazing Protection films have superior tear resistance unlike any other window film. 3M's patented micro-layering laminates will work 24/7!
