Dear Mr. Branch:

Congratulations once again in achieving the 2004, 100% Customer Satisfaction Performance Award. Terrific job, certainly an outstanding effort!

Quality and innovation are the keys that make 3M the world's recognized leader in the Window Film Industry. The laminate that is manufactured under the most stringent requirements must be installed to perform to that same high standard. .

Our goal is to achieve the level of *Craftsmanship* in installation excellence. Your Dealership has met these stringent standards. We salute you and your 'winning team' for your dedication and commitment to obtain this goal.

Thanks again for an incredible 2004! We are proud that you are a member of our 3M family!

We wish you continued success in 2005!

Yours truly,

Michael J. Feldman
